

Stand aside gentlemen!

Disposable urinal covers help enforce social distancing in washrooms

No more gaffer tape leaving sticky residue on the urinals, tiles and panels eliminating damage to bowls and paintwork.

Simply unroll and stretch across the urinal. The thin, white polyethylene material naturally sticks to the urinal bowl sides neatly and quickly.

100m roll

Long enough to cover at least 100 urinals

500mm wide

Wide to cover any urinal or WC bowl

23µm thick

Easily stretchable and naturally clings to surface

Opaque white

Covers the contents of the bowl

Black printed message

Repeats along its length. Can be used for more than just urinals and WCs, can be used on sinks seats, phone booths, hand dryers* etc. Message is suitable for social distancing and beyond.

** Do not wrap electrical items unless they have been properly isolated*
